William Josephson (#122)

This material duplicates three linear feet of the unclassified Peace Corps chronological file covering the period February 17, 1961 – July 5, 1966. The file is made up primarily of carbon copies of outgoing communications from Mr. Josephson or other members of the General Counsel's staff. Included are drafts of correspondence prepared by Mr. Josephson for the Director's signature and many memos to the Director. The areas covered include legal aspects of various Peace Corps policies, legislation and appropriations, specific programs in the field, and personnel matters.
